Re: Sulphur Springs High School Additions  
Sulphur Springs ISD  
Sulphur Springs, Texas

Dear Mr. Rodriquez,

We would like to take a brief moment to express our appreciation for your firm's participation in the construction of the above referenced project. Specifically, we want to thank Jesus Chavez and Jackie Murphy for their ability to commit the resources necessary to complete this project on time. They made themselves available by cell phone and promptly handled any emergencies that may have arisen. If all of our subcontractors were as prompt and hard working as these two, life would be a lot easier.

We look forward to working with Castro Roofing on future projects.

Sincerely,

J.T. TURNER, INC.

Matthew Mulliken, Project Manager
