Re: City of Dallas  
Roof Replacement and Reflectory Ceiling Repair  
Fair Park Music Hall

Dear Mr. Rodriguez:

I would like to express my satisfaction with the performance of your company on the above referenced project. The project had the potential to be a high profile site within the City's priority list due to the facilities' past history. Your firm completed the roof replacement and reflectory ceiling repairs with no impact or disruption of the ongoing operations of the Music Hall. The performance of Castro's field personnel and subcontractors resulted in a completed job that the entire project team can be proud of.

I look forward to your professional work environment on our TXMHMR Projects.

Respectfully,

A handwritten signature in blue ink, appearing to read 'Syd N. Singer', is written over the word 'Respectfully'.
