**Re: Fair Park Music Hall  
Dallas, Texas**

Dear Rudy:

I wanted to take a moment to commend your company on the exceptional professionalism and quality workmanship exhibited by your staff throughout the duration of the Fair Park Music Hall project. This project presented some unforeseen challenges that were easily addressed due mainly to the open lines of communication that were maintained between Castro Roofing of Texas, Inc., Arnold and Associates and Soprema. This allowed the project to be completed in a timely and quality manner.

I look forward to working with your company on many more projects in the future.

Respectfully,

  
Brett Biggers  
Soprema, Inc.
