Congratulations for receiving the Greater Dallas Business Ethics Award! It was truly a pleasure to learn about your fine company. Your corporate example is the very type of model that we are looking to promote.

As a reminder, your award on the local level now qualifies you for entry in the American Business Ethics Award. Gary Morris, CLU, CFP, AEP will be contacting you shortly to inform you of the process. We will be forwarding your entry to the National Judging Committee no later than July 25, 2003. The recipients of the American Business Ethics Award will be announced in September of 2003. The American Business Ethics Award program ceremonies will be held in October 2003 in Hawaii. Our local chapter of the Society of Financial Service Professionals will keep you informed throughout this process. Thank you again for participating in our event and once again, congratulations for being selected for the 2003 Greater Dallas Business Ethics Award.

Sincerely,
