To Whom It May Concern:

Please let this letter serve as a letter of recommendation regarding the performance of Castro Roofing of Texas, Inc. They were selected by the City of Dallas to replace the roof over a major portion of the Music Hall at Fair Park. This is an actual operating venue with Broadway musical shows and The Dallas Opera performances occurring during the time of the roofing project. It went very smoothly, with only very few instances of interruption, which were quickly corrected.

Any problems or issues that arose during construction were quickly addressed by Sid Singer, the consultant and James Scott and his crew from Castro Roofing. They were polite and pleasant to work with. The remaining roofing problems are in areas not included in the Castro Roofing project, as given them by the City. Castro performed well the duties with which they were charged.

Sincerely,
