Re: NEW FAB ROOFING PROJECT
TEXAS INSTRUMENTS, RICHARDSON TEXAS

Castro Roofing of Texas 4854 Olson Drive, Dallas Texas 75227 installed both new Modified Bitumen and Thermoplastic (PVC) Roofs on the above-mentioned facility.

There were numerous scheduling and detail problems that worked out to keep the project on time and with-in budget.

It was a pleasure to have the opportunity to work with Castor roofing on such a large and fast paced project.
