Dear Rudy:

I would like to take this opportunity to express my pleasure in working with you and everyone associated with Castro Roofing on the Dallas City Hall Roof Replacement project.

Initially, the City was concerned with the schedule and your company's limited experience with projects of this size. However, as the project progressed, these concerns of your ability to keep up and your company's expertise were erased. The detailed attention you provided and your dedication to providing quality workmanship combined to make this project a successful roofing installation.

Thanks again and we look forward to recommending and working with you in the future.

Sincerely,

A handwritten signature in blue ink, reading "Zaida B. Hagar".
